ELECTRIC VEHICLE INFRASTRUCTURE GRANT

Access the EV Infrastructure Grant tailored for small and medium-sized businesses, offering financial support for the wider building and installation work required to set up multiple charge point sockets.

- Charge points must be for staff or fleet vehicles only.
- Simple 6 step application with an immediate decision.
- Must carry out work on at least 5 parking spaces.

Funding available until
March 31, 2025

RECEIVE A MAXIMUM
GRANT OF

£15,000

You could get **£850** per charge point:

- Up to £350 per installed socket
- Up to £500 per parking space with supporting infrastructure.

Work can be for sockets you wish to install now as well as any in the future.

There is a total grant size of £5 million. So once it's gone, it's gone.

We can arrange the installation of your EV charging solution, as well as guide you through the application process.

Find out more and start your grant application **[online here](#)** now.
